

COURT HEARS TRAILER OWNERS' APPEAL ON TAX

Medill Bair Says Parents In Trailers Pay Less Than Home Owners

APPEAL FROM \$4 LEVY

Trailer Owners Pay \$48 School Tax; Home Owners Pay \$70

DOYLESTOWN, July 19 — Medill Bair, supervising principal of Falls Township public schools, told Judge Edwin H. Satterthwaite, in Quarter Sessions Court that the parents who live in trailers in Falls township are paying much less for the educational costs for their children than does the average home owner.

The hearing grows out of an appeal by the trailer owners in Falls township from a resolution by the Falls Township School Board to charge a \$4 tax per month, or \$48, as school tax.

Falls township, which is in the Pennsbury School District, has at least 250 trailers now, with more arriving constantly. Last year there were 65 children among 842 who live in trailer camps or parks.

In 1949, the Falls Township School Board levied a \$3 trailer tax. In 1951, they reduced it to \$2. For 1952-53 they raised it to \$4 a month.

James Dougherty, Falls Township School Board Secretary, said: "We realize now it was a mistake to reduce the trailer tax. We came out \$5,000 in the red, or 'in the hole' and we feel that it is only fair that trailer camp inhabitants contribute their share in making up a school budget of \$1,100,000. The school district comprises Falls, Lower Makefield and Yardley and is designated the Pennsbury School District.

Secretary Dougherty estimated it costs \$294 to educate a pupil per year.

Trailer camp, or park, parents, or residents, do not pay a per capita tax.

The earliest ones to concern Americans were those imposed by England in the colonial period — a factor leading to the Revolutionary War. Several of these are shown in this exhibit, along with many others which cover the various types of stamps used before 1900.

The earliest on display is the California State Tax on a Duplicate of Exchange that was used in 1858 to send money home from the Gold Rush. Most of the exhibit consists of Civil War revenue stamps. There are a few from the Spanish American War. Some of their uses were on financial transactions, photo-

TO STAGE BENEFIT FOR MIKE MURPHY FUND

Grand Theatre Schedules Gigantic Show for The Evening of July 30th

ALL MONEY TO FUND

A gigantic benefit performance for the "Mike Murphy Fund" was announced today. It will be staged at the Grand Theatre on the evening of July 30th. The announcement was made by Edward Lynn, manager of the Theatre, who states that the "gross proceeds will be given to the "Mike Murphy Fund".

The theatre will be donated without charge, all theatre employees will serve that evening without pay, and all of the other participants are joining in this big effort, without any compensation, to give the "Mike Murphy Fund" a big boost. "The only thing remaining to make this a great success will be the participation of the public in the purchase of tickets. The only deductions from the 65 cent price of admission will be 10 cents per ticket for federal tax and five cents per ticket for borough tax," it is stated.

It is anticipated that the theatre will be packed to the doors on that occasion as the program includes outstanding stars, who will be announced in later publicity. Included on the program will be the Pennell String band in gorgeous costumes; students of the Coyne Dancing Academy and others. There will be an advance sale of tickets, so those who cannot attend will have an opportunity to participate.

STAMP EXHIBIT TO BE OF MUCH INTEREST

Collection of Samuel Laidacker on Display in The Bristol Trust Co.

ASK PUBLIC TO VIEW IT

As part of its contribution to "Greater Lower Bucks Week," July 20-26, inclusive, the Bristol Trust Company, 200 Radcliffe street, will have on display a stamp exhibit belonging to Samuel Laidacker.

Laidacker, Maple and Park avenues, Laings Gardens, Bristol township, is noted in this area for his various collections of stamps, coins, bottles and antiques. This particular collection, which will be under glass on a table in the lobby of the bank, will feature revenue stamps.

Ever since men began living with other men, there have been various forms of taxation. Sometimes there have been receipts for special levies in the form of adhesive revenue stamps. The earliest ones to concern Americans were those imposed by England in the colonial period—a factor leading to the Revolutionary War. Several of these are shown in this exhibit, along with many others which cover the various types of stamps used before 1900.

The earliest on display is the California State Tax on a Duplicate of Exchange that was used in 1858 to send money home from the Gold Rush. Most of the exhibit consists of Civil War revenue stamps. There are a few from the Spanish American War. Some of their uses were on financial transactions, photo-

THINKING OF CHRISTMAS

Manufacturer and merchant must, of course, be forehanded in planning their seasonal offerings. Thus Christmas goods are being exhibited in midsummer. At a recent market week in New York City, 95 per cent of the exhibits concentrated on Christmas goods, with merely a small part of the space devoted to fall and back-to-school attractions.

Animated manikins aroused the most interest. The household with small children might be considered to be in no need of such devices, what with the unending animation, at all hours, of the child. Nevertheless, the mechanical motive was strong. Santa Claus was presented taking a bath, doubtless an instructive example. Space ships remain favorite, in new guises.

There appears to be a trend toward pastels infringing on the traditional red and green of Christmas. A pale pink tree, pale beige wreaths, pale blue decorations will doubtless find devotees among those who search for what is new and unusual.

Christmas, for most persons, ought to remain Christmas. Snow cannot be guaranteed, but the greentree and the red ribbon can. Perhaps Christmas is nothing to get excited about in midsummer, but this much can at least be said—that an all-pastel Christmas would look more like spring and Easter than the great winter festival.

Let's go on dreaming of a white Christmas, not one in off shades of violet or ochre.

A BILLION DOLLARS

The other day a man was talking in a downtown oasis about a billion dollars—a sum equal to the federal government's expenditures for four days. What is a billion dollars—who knows what a billion dollars will buy? Here it is.

It would build a row of \$10,000 houses from coast to coast, supplying each with a 150 foot lot.

It would buy enough \$2,000 cars to make a bumper-to-bumper traffic jam from Boston to Miami.

One billion in \$1 bills placed end to end would reach nearly four times around the earth.

It would buy a trip to Europe for every man, woman and child in Boston. If they were foolish enough to want to go to Europe, that is.

U. S. Army has ordered \$20,000 worth of piccolos, but it is too early to jump to the conclusion that the Pentagon brass plans to blow its horn in more restrained style.

Sen. Paul Douglas of Illinois is writing a book, but he has not revealed whether a chapter will be devoted to interpretation of the weird noise he emitted as he fled the Senate chamber several years ago.

THINKING OF CHRISTMAS

Manufacturer and merchant
must, of course, be forehanded in
planning their seasonal offerings.
Thus Christmas goods are being
exhibited in midsummer. At a re-
cent market week in New York
City, 95 per cent of the exhibits
concentrated on Christmas goods,
with merely a small part of the
space devoted to fall and back-to-
school attractions.

Animated manikins aroused
the most interest. The household
with small children might be con-
sidered to be in no need of such
devices, what with the unflinching
animation, at all hours, of the
child. Nevertheless, the mechani-
cal motive was strong. Santa
Claus was presented taking a
bath, doubtless an instructive ex-
ample. Space ships remain favor-
ites, in new guises.

There appears to be a trend
toward pastels infringing on the
traditional red and green of
Christmas. A pale pink tree, pale
beige wreaths, pale blue decora-
tions will doubtless find devotees
among those who search for what
is new and unusual.

Christmas, for most persons,
ought to remain Christmas. Snow
cannot be guaranteed, but the
greentree and the red ribbon can.
Perhaps Christmas is nothing to
get excited about in midsummer,
but this much can at least be said
—that an all-pastel Christmas
would look more like spring and
Easter than the great winter festi-
val.

Let's go on dreaming of a
white Christmas, not one in off
shades of violet or ochre.

A BILLION DOLLARS

The other day a man was talk-
ing in a downtown oasis about a
billion dollars—a sum equal to the
federal government's expendi-
tures for four days. What is a
billion dollars—who knows what
a billion dollars will buy? Here
it is.

It would build a row of \$10,000
houses from coast to coast, sup-
plying each with a 150-foot lot.

It would buy enough \$2,000
cars to make a bumper-to-bumper
traffic jam from Boston to Miami.

One billion in \$1 bills placed
end to end would reach nearly
four times around the earth.

It would buy a trip to Europe
for every man, woman and child
in Boston. If they were foolish
enough to want to go to Europe,
that is.

U. S. Army has ordered \$20,
000 worth of piccolos, but it is
too early to jump to the conclu-
sion that the Pentagon brass
plans to blow its horn in more
restrained style.

Sen. Paul Douglas of Illinois
is writing a book, but he has not
revealed whether a chapter will
be devoted to interpretation of the
weird noise he emitted as he fled
the Senate chamber several years
ago.

Levittown, July 19—Residents in this new community which will eventually have 16,000 homes are now receiving door-to-door mail delivery service.

Lawrence Mulligan, acting postmaster for Bristol, recently received from Washington headquarters a new regulation which provides for foot delivery to new housing developments which become 50% occupied along a street, and which erect street signs and house numbers. Along with other developments in the Bristol area, this new town growing rapidly on the acres of former county farmlands qualified for service and has begun receiving it.

Deliveries are being made to Stonybrook Drive, South Lane, Sunset Lane, Summer Lane and Silver Birch Lane, the five streets of the Stonybrook section which are now being occupied. The Levitt corporation has installed the required street signs, house numbers and mail containers. The mailboxes, incidentally, have been furnished in mass supply; they are all the conventional type, covered with aluminum paint.

When mail for a Levittown resident arrives in the Bristol post-office, it is first of all sorted from the rest of the incoming mail by being placed into a special Levittown case. From there a clerk takes it to the breakdown cases for this area. Here the clerk breaks down the letters, magazines and other portable mail into cases labeled with the various sections of the development. Next, it is assembled in the order in which it will be delivered; and the mailman takes it for delivery.

LEVITTOWN, July 19—An attractive Chinese motif greets the visitor to the home of Max and "Chiffie" Polin, 85 Stonybrook drive. Mrs. Polin has the unusual but pretty-sounding name of Chiffie, which her husband has shortened to "Chiffie." A third member of the household is young Stephen, age 5. The Chinese motif appears in lamps, pictures, sofa cover, bed headboard decorations and bright draperies, all of which make the Polin home one of the most unusual interior decorating jobs in this development. Mrs. Polin does all of the work herself. She cuts Chinese symbols from magazines, then transfers the design to a lampshade, a picture or a headboard. The effect in many cases is colorful.

To add to the beauty, the huge window draperies will be of turquoise taffeta, the sofa covered with orange velvet and her living room chairs upholstered with turquoise satin.

Polin is the owner and sales manager of a Trenton business establishment the Hughes Shipping Room Supplies, Franklin and Mifflin sts.

At the moment Levittown residents, in order to mail letters, just give them to the postman as he calls. Such letters must be stamped, and the postman cannot handle parcels for mailing. Eventually, street mail boxes will be placed as the area grows, and people will then be able to mail from those.

FRANKLIN TAKES UNDISPUTED GRIP ON SECOND PLACE

Franklin A. C. took undisputed possession of second place in the Bristol Softball League with an 8-6 triumph over Auto Boys last evening on Memorial field. Auto Boys rallied in the final frame to score three times but the early lead of Franklin was too much to overcome.

The losers outbatted the Franklin team, 13-9, and were led at the plate by "Chuck" Klein who had a home run, double, and single and Steve Clotti who cracked out a pair of singles.

Of the nine Franklin hits, eight went to Toby Oriola, Dominic Fields, Lou Mari and Tony Capella. The latter was also the winning pitcher.

Both teams committed three errors in the field.

CROYDON COMETS SRS. BEAT SOUTHAMPTON

The senior team of the Croydon Comets nosed out Southampton in a Tricounty League game at Southampton's field by a 6 to 5 score, in a nip and tuck game.

Joe Ritter started for the Comets but got a few bad breaks and didn't seem quite as effective as usual, he was relieved by Jack Weaver, who stepped in with the bases loaded and no outs but got out of it with only one run crossing.

Going in the 2nd inning with the score 1 to 0 Bill Moll singled and with the hit and run sign on Joe Domonick smashed a line drive home over centerfielder Wiggins head to give the Comets a 2 to 1 lead, Southampton went ahead in the 5th by a 3 to 2 lead, the Comets came to life in the 6th when Lou Loeffler singled, Kerm Marsh beat out a bunt, Bill Moll drew a BB and Harry Saul laced out a clean triple and scored on a bad throw.

Bill Moll made the most thrilling catch of the game in the 6th inning when he ran hard to his right, seeing he couldn't make the catch upright, he dove after the ball and caught it while sliding flat on his stomach.

The Comets now have won 5 out of their last 6 games, are scheduled to meet Hilltop on Sunday, July 20th on the Comets' home field which is Delhaas Jr. High School.

GIANTS TO PLAY HAWKS TO DECIDE FIRST HALF

The Giants and the Hawks will play a Bristol Boys League game tomorrow afternoon to decide the first half championship of the circuit. The game will be played on Leedom's field, starting at two o'clock. All receipts will go to the "Mike" Murphy Fund.

The Giants tied the Hawks for the top position by beating them, 4-1, in a continuation game last evening. The game had been called by the umpire on June 2nd with the Giants leading, 3-1. The Giants protested the game because of stalling. The arbitration board ordered the game to be played from the time it was called. The Giants finally won out by a 4-1 count.

Managers Bill Martin and Gene Alpin have either Jim Daniel of Joe Bonner to pitch against the Giants while Managers Charlie Long and Jim Sweeney have the choice of Hollibough, Katz, and Williams to throw against the Hawks.

Court Hears Trailer Owners' Appeal On Tax

tax of \$5 per person because it cannot be collected. There are 15 or 16 trailer camps scattered throughout Falls township and the Tax Collector reports they move out, move back in again after he has gone, or take off in a jeep.

Medill Bair, supervising principal, as the second witness for the school board said: "It is virtually impossible to collect a per capita tax from trailer camp persons," said the school head. "The new homes in Levittown will be assessed at \$2200 which means at a 35-mill tax rate, the present real estate tax in Falls township, each property owner will pay \$70.75."

"A trailer camp adult gets off by paying \$48 trailer tax at \$4 a month and no per capita which would be another \$5 or \$10 for a husband and wife. The cost of buying a trailer begins at \$1500."

"The percentage of the cost of education is decreasing so far as the trailer camp residents are concerned in relation to the increasing cost of education of their pupils and the rising costs of the operation of the schools," warned Supervising Principal Bair.

"One trailer camp which had nine children will have 19 ready to enter school this Fall, according to a bus schedule survey," testified Bair.

Mr. and Mrs. John Roarty, Princess avenue, entertained Saturday evening in honor of the first birthday anniversary of their daughter, Mary Elizabeth. Decorations were green and yellow, favors were party hats. Guests were: Mr. and Mrs. James Yost and children, Alice and Robert, Mr. and Mrs. James Brannigan and children,

I. Louis Rubin, Bristol attorney, and counsel for the appellants, or trailer camp people opposed to the \$4 monthly tax, said: "I have advised the trailer camp persons to pay the tax until the Court has handed down an opinion."

Appellant Counsel I. Louis Rubin and T. Sydney Cadwallader, solicitor for the Falls Township Board, agreed that the assessed valuation of Falls township is \$11,230,443. The school district, through a transfer of real estate tax of three-fourths of one percent, collects \$251,250. The supervisors, through the same method of taxation, collect one-quarter of one percent, or an estimated \$3,750. The total estimated transfer of real estate property taxes amount to \$335,000.

The present real estate tax is 35 mills and a \$5 per capita tax. In 1951, there were 1850 per capita taxables which yielded \$9250. Counsel Rubin pointed out some recent legislation which deals with a fourth class school district. Briefs will be submitted by both sides to the Court.

FRANKLIN TAKES UNDISPUTED GRIP ON SECOND PLACE

Franklin A. C. took undisputed possession of second place in the Bristol Softball League with an 8-6 triumph over Auto Boys last evening on Memorial field. Auto Boys rallied in the final frame to score three times but the early lead of Franklin was too much to overcome.

The losers outfit the Franklin team, 13-9, and were led at the plate by "Chuck" Klein who had a home run, double, and single and Steve Clouti who cracked out a pair of singles.

Of the nine Franklin hits, eight went to Toby Oriola, Dominic Fields, Lou Mari and Tony Capella. The latter was also the winning pitcher.

Both teams committed three errors in the field.

CROYDON COMETS SRS. BEAT SOUTHAMPTON

The senior team of the Croydon Comets nosed out Southampton in a Tricounty League game at Southampton's field by a 6 to 5 score, in a nip and tuck game.

Joe Ritter started for the Comets but got a few bad breaks and didn't seem quite as effective as usual, he was relieved by Jack Weaver, who stepped in with the bases loaded and no outs but got out of it with only one run crossing.

Going in the 2nd inning with the score 1 to 0 Bill Moll singled and with the hit and run sign on Joe Domonick smashed a line drive home over centerfielder Wiggins head to give the Comets a 2 to 1 lead, Southampton went ahead in the 5th by a 3 to 2 lead, the Comets came to life in the 6th when Lou Loeffler singled, Kerm Marsh beat out a bunt, Bill Moll drew a BB and Harry Saul laced out a clean triple and scored on a bad throw.

Bill Moll made the most thrilling catch of the game in the 6th inning when he ran hard to his right, seeing he couldn't make the catch upright, he dove after the ball and caught it while sliding flat on his stomach.

The Comets now have won 5 out of their last 6 games, are scheduled to meet Hilltop on Sunday, July 20th in the Comets' home field which is Delhaas Jr. High School.

The Giants and the Hawks will play a Bristol Boys League game tomorrow afternoon to decide the first half championship of the circuit. The game will be played on Leedom's field, starting at two o'clock. All receipts will go to the "Mike" Murphy Fund.

The Giants tied the Hawks for the top position by beating them, 4-1, in a continuation game last evening. The game had been called by the umpire on June 2nd with the Giants leading, 3-1. The Giants protested the game because of stalling. The arbitration board ordered the game to be played from the time it was called. The Giants finally won out by a 4-1 count.

Managers Bill Martin and Gene Alpin have either Jim Daniel of Joe Bonner to pitch against the Hawks while Managers Charlie Long and Jim Sweeney have the choice of Hollibough, Katz, and Williams to throw against the Hawks.
